Subject: Response to GATR Leadership Fire Staff Ride Opportunity Paper

We apologize for the delay in responding to your request for establishing a single L number for local staff rides. Your request was assigned to the Leadership Subcommittee (LSC) to review and make recommendations back to the OWDC. Attached is the recommendation from the LSC that does not support the concept of assigning additional L numbers to staff rides that do not meet the established criteria as identified within IQCS N9024. The OWDC agrees with the LSC recommendation.

If you have questions, please contact your liaison to the OWDC, Deb Fleming at 208-387-5745 or [dlfleming@blm.gov](mailto:dlfleming@blm.gov)
